Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the **San Gabriel Avenue/Azusa Avenue Complete Streets Project** in Fiscal Year 2027. The entity to receive funding for this project is the **San Gabriel Valley Council of Governments**, located at **1333 S. Mayflower, Ave. Ste 360, Monrovia, CA 91016**. The funding would be used to **reconfigure San Gabriel Avenue and Azusa Avenue in Azusa, CA from one-way streets into two-way median-separated streets with wayfinding signage, improved lighting, traffic signal modifications, and landscaped buffers to promote and enhance walkability, bicycling, safety, and comfort. This project promotes multimodal transportation by making first/last mile upgrades and improving access to key destinations including two Metro A Line Stations (Downtown Azusa and APU/Citrus College stations), supporting economic investment in the city's core, and creating a more connected community.** The project is an appropriate use of taxpayer funds because **it delivers durable infrastructure investments that provide significant public benefit in the form of improved mobility, safety, and economic opportunity**

The project has a federal nexus because the funding provided is for purposes authorized by **23 USC 133**.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Gilbert R. Cisneros, Jr." with a stylized flourish at the end.
