Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for **West Covina Historical Downtown Streetscape Revitalization & Improvement Initiative** in Fiscal Year 2027. The entity to receive funding for this project is the **City of West Covina, located at 1444 West Garvey Ave South, West Covina, CA 91790**. The funding will be used to revitalize the streetscape within the downtown business district of West Covina. **The streetscape improvement will include street widening, ADA curb ramp replacement, parking lot repaving, green infrastructure, instillation of light fixtures, and public signage.** This is an appropriate use of taxpayer funds because **the proposed streetscape improvements will enhance economic development and will help preserve the community's heritage and identity through the integration of historical markers and themed landscaping.**

The project has a federal nexus because the funding provided is consistent with purposes authorized in **42 U.S.C. 5305(a)(2)**.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Gilbert R. Cisneros, Jr." with a stylized flourish at the end.
